

Invitation

You are invited to attend (or send a representative to) the next **FREE training course on Disability Equality**, to be held on Thursday 24th November 2005. This would cover...

- What is the DDA?
- Who is covered by the act?
- What are the responsibilities and legal obligations of school/college managers and teachers?

The day will include a video and copies of Remploy disability publications which can be used as resource material for classrooms.

The objective of the day will be to widen awareness of hidden disabilities and advice on reasonable adjustments that can be made and where to go for help and guidance.

It will also increase your knowledge of the support and careers advice available to those students leaving school/education with disabilities.

If you would like to attend, please fill in your details on the **FAXBACK** response below, or call us on **0870 850 6100**. We can then send you more details.

We look forward to hearing from you.
